I. Reading Comprehension

(20 Marks)

A) Read the following passage then answer the questions below (10 marks):

Ahmad is a student at Ibn Majid School in R.A.K. He is 14 years old and he is Emirati. At school, Ahmad has been involved in the Community Service Club, Art Club, and Drama Club. He has had starring roles in all the drama productions at his school for two years. Ahmad is an excellent student. He is very good in mathematics and science and maintains an average of 92%. Ahmad is a boy scout. He also helps pupils at the local elementary school to read. He has been the prefect in his class for two years and his colleagues have elected him this year to be the representative in the school council. Ahmad participates in many different community service projects. Last month, Ahmad helped raise funds (collect money) for the Cancer Society. During holiday, he travelled with the school's youth group to a small village in the Emirate of Fujairah and helped in digging water channels. Ahmad enjoys spending time with his family and always helps around with the house chores. His parents are very proud of their son.

B: Read the following passage the answer the questions that follow (10 marks):**Problems at School****Problem 1**

1. I like all my classes and teachers, but I don't understand everything they say. When I read something, there are many difficult words I don't understand. Should I ask my teachers to explain? _____

Solution A

2. It is not wrong to ask because it helps you to learn and it will help other students who are afraid to ask. When you ask a good question at the right time, it can start an interesting and challenging group discussion. Many teachers and pupils say that the best learning happens by accident. However, sometimes there is no right question, _____

Solution B

3. If you are always asking questions and interrupting the class, your teacher and other students will soon get annoyed by it. Make notes of new words and try to guess the spelling and check in a dictionary later. Guess first and then open the dictionary.

Problem 2

4. I'm always late for my classes in the mornings. What can I do?

Solution A

5. This depends on why you are late. If you have trouble sleeping, go to bed early and don't study late at night or worry about anything. Avoid drinking coffee in the evening because it will keep you awake. It will take about a week to modify your sleeping habit, but you will notice the difference as you will wake up refreshed.

Solution B

6. Put your alarm clock in the corner of your bedroom, so you will have to get out of bed to turn it off. Another idea is to go to sleep with the curtains open, and in the morning your bedroom will be light.
